

# EURO CAMP

## HESSEN, GERMANY

### 29.07.-09.08.22

for young people from 16 to 19

Send an Email to [jugendreisen@sportjugend-hessen.de](mailto:jugendreisen@sportjugend-hessen.de) if you want to join. It's free: First come, first serve

#### Location

Our Adventure-Camp at the beautiful Edersee is the perfect location for our traditional Eurocamp where we bring together about 80 young people from all over Europe. Located right at the shore of the lake our Camp is equipped with a great variety of Sports- and Leisure activities which provide outstanding conditions to experience an unforgettable and safe time, even during the COVID-19 pandemic.

#### Accommodation

You will be living in your own house with 6-8 others, (depending on the COVID regulations) every house has a balcony with a lake view, a shower and a toilet. All of the international groups can be mixed up. The catering will be provided in the main house with an all-inclusive menu.

#### Covid-19

The camp can only take place if travel within the EU is possible without quarantine regulations. A hygiene concept ensures your safety. At the moment we are thinking of a "closed camp" and regular testing before and during the trip. All additional costs will be covered by us.

#### Schedule

It does not matter whether you love Nature Sports, Trend Sports, Discussion rounds, Creative things or just chill-out and have an international party. All that is possible at our Camp. E.g. you will get the chance to go canoeing through the national park, play a Bubble-Soccer tournament against other international teams, try rock climbing, mountain biking or archery.
